Dear Club,

I thought I'd write in to tell you about my flashing at work. For the last few months, I've been exposing myself to my boss David in an increasingly outrageous way. It started off as office banter, with David admiring my long legs as I sat opposite him, so I started by crossing and uncrossing them to tease him. Then, knowing that he liked my big, firm 36D tits, if no-one else were in the room I'd undo an extra button or two on my blouse to expose plenty of cleavage for him. These occasional glimpses of my scantily-clad crotch or boobs drove David wild with lust and knowing he was so turned-on always made me wet and horny. Some days it was a real effort to concentrate on work because I was getting so aroused flashing at him. I would often disappear home for lunch to masturbate. The power of knowing how much I was turning him on was a real aphrodisiac for me.

David would encourage my flashing by commenting on my outfits and how sexy I looked. Initially, I'd show him the top of my

bra and plenty of cleavage, asking him if he liked my sexy bra. These occasional flashes became an almost daily occurrence. I started buying more skimpy knickers and lacy bras, so when I did expose myself the effect it had on him was explosive. I got off on all this, and when I got home I was desperate for a shag with my husband. I would always come in next to no time!

Like a lot of men, David confessed he had a stockings and suspenders fixation and would instantly get hard in the office when I paraded before him, skirt above my waist, his cock twitching appreciatively as I bent over my desk. This revealed the thong riding between the cheeks of my firm arse and biting into my soaking wet pussy.

One day we were together, and as I had a new pair of see-through, lacy black knickers I thought I would give him an extra treat. Finishing my day's paperwork I slowly

uncrossed my legs and parted them wide, leaving them like that for a couple of minutes till I saw that David was drooling opposite. As the office got quieter I started to play with my nipples through my blouse, making them harden instantly. David gasped, his massive cock twitching in his tight jeans. I parted my legs even wider so that David couldn't help but see my black bush struggling to escape my skimpy panties and my sodden, swollen cunt lips outlined and clearly visible through them.

We were now alone, so I began to masturbate, teasing my panties aside and pushing a finger up my exposed hole for him. With one hand I held the panties aside while the other teased my lips open and circled my engorged clit. I watched his

cock repeatedly twitch in his trousers while I masturbated, making me even more aroused. I had never been so wet, and the juices were literally pouring out of my crack.

David told me the next day he'd wanked himself silly the previous night, and hearing this turned me on immensely. The pattern was now set for more outrageous flirting and flashing – but with no touching. I would now regularly dip my finger into my sodden hole and let David sniff it, and sometimes even get him to lick my fingers clean.

One night, just David and I were in the office with the cleaner downstairs. I began to torment him by bending over, hitching up my skirt and revealing my black thong framing my arse. I asked him what he wanted me to do as I played with myself. He told me to tease my outer lips and open up my cunt so he could see deep inside. I pulled off my sodden thong and passed it to David to sniff. I sat opposite him on the desk, legs wide apart, and opened

myself up to him with one hand, while furiously working my clit with another. As my orgasm built, I ordered David to take his jeans and boxers off. He looked a bit panicky with the cleaners still in the building, but he didn't let that stop him!

His cock was huge, eight or nine inches long, with big hairy balls. I told him to sit with his legs open, but not to play with his cock. I was incredibly aroused, staring at it and now, and had two fingers inside me, one working my G-spot, the other massaging my clit. Seeing his length twitch and his pre-come ooze onto his belly, yet knowing I was in complete control, was a huge turn-on.

As my orgasm built, I would stop myself on the brink and order David to smear his pre-come over his purple helmet and squeeze his own balls, but I wouldn't let him masturbate. Eventually, I couldn't hold back anymore and a wonderful orgasm tore through me.

As I recovered, I made David lick my fingers clean and gently started to squeeze his balls, but stopped him from touching me. I then teased his length with my finger, dipping it into my pussy for effect before letting him sniff and lick my juices.

Hearing the cleaners getting closer, I slowly began to masturbate David and just before he came I thrust two dripping fingers into his mouth. As I did, he unloaded spurt after spurt of hot creamy come over his belly and up onto his shirt and tie (which he later told me was completely ruined, by the way).

Where all this will lead to, who knows? But I really can't wait to get to work these days!

## Spectre

(DVD £10.00, Blu - £15.00)

Well, here we again folks for the DVD release of the 24th 007 film, and my haven't we come a long way from James Bond's first screen outing in Dr. No. Though I think we can safely say Ursula Andress emerging from the sea, seashell in hand and the white bikini has and will remain fresh in our memories.

Now, on to the present serving and you could be forgiven for thinking time had reversed, with its lashings of old school, off grid, dare-do spying. However, the action sequences remain very much up to date, with the films opening kicking off at the Day of the Dead festival, Mexico City. It's bright, flamboyant and a helicopter repeatedly loops the loop, while 007 gives the pilot and his passengers face a good pounding. In other words, the Bond we all know and love.

The centrepiece for this latest 007 is the organization Spectre (Special Executive for Counter-intelligence, Terrorism, Revenge and Extortion as Ian Fleming wrote) and the dismantling of the 00 program, which will see all 00 agents become obsolete in favour of a super snooper computer program. Don't panic, Daniel Craig really puts his suited and booted back into it and with a little help from Q (Ben Whishaw) and M (Ralph Fiennes), the hunting of Spectre begins. Superb turns by Andrew Scott as the cocky Max Denbigh, and Christopher Waltz as the menacing Blofeld. A Bond film for the 21st century and beyond.

## Young Montalbano Series Two

(DVD £23.85)

There was a quite a bit of surprise when the prequel to Inspector Montalbano first emerged and hoards of women started tuning into BBC 4's new series. Tall, handsome and rugged looking, the young Montalbano (Michele Riondino) bears little comparison to his future self (could 20 years have done that much damage or did he stumble across a shrink-ray?). But looks aside, the young detective with his Sicilian style is back for a second series and Salvo's nose is twitching with suspicion, and with good reason as it turns out Vigata's lacework of crime must be unpicked. Strong performances throughout and if you can't keep up with the subtitles just stare at the scenery and wish you were there instead.

## The Frankenstein Chronicles

(DVD £15.99, Blu-ray £17.99)

Cor blimey governor, it's a pea-souper and make no mistake! Could be the opening lines to most dramas set in 19th century London and The Frankenstein Chronicles is no exception with its on mass use of clichés. However, these clichés add to the chilling cauldron that brews within the series, as a washed up body of a girl is discovered to be made up of eight different dismembered children. Inspector John Marlott (Sean Bean) of the River Police is sent to investigate and finds a world of child prostitution and body snatching that operates in the surrounds of Smithfield meat market, where he seeks the identity of the corpse re-animator. The twists and turns of The Frankenstein Chronicles will have you pinned to your sofa, so make sure your comfortable.

## Wake-Up Light

[www.philips-shop.co.uk](http://www.philips-shop.co.uk)

If like me you're known for launching your alarm clock across the room in the mornings, then perhaps Phillips Wake-Up Light is up your street. Instead of the usual bombardment of bleeping the Wake-Up Light gradually stimulates the rising dawn over a 30-minute period in your very own room, waking you up naturally. Nature's noises are also available for the full experience with five different variations to choose from including bird song and the seaside, although these are not available in sunset mode. From a design perspective the white front and a digital clock display are a little intrusive, but there's a radio and the audio quality is impressive.

## USB Travel Charger

[www.amazon.co.uk](http://www.amazon.co.uk)

Lightweight with a 50-watt output and six ports to choose from: which genius invented this? Coming in at not much bigger than a debit card and standing at 27mm when lying flat, this is the ultimate travel buddy for those of us with multiple devices and it's a hardy fellow too, made from a durable matt black plastic it looks smarter than many devices out there. This 10amp unit is one of the best one the market in its price bracket and with no noticeable power difference when charging from the wall. There is, of course, a slight dip once all six ports are in use but nothing to impeding on the charging quilty.

It's well worth dipping into your wallet for this impressive bite size kit.

## Fuji X-Pro2

[www.jessops.com](http://www.jessops.com)

Fuji's X-Pro 1 has now been sidelined for its younger brother and who can blame us with the Mega Pixel count upped to 24MP, a faster auto focus for all action captures, plus the buttons have been moved to the back for ease of use. Now you can reach everything with one hand and the grip is better this time round too. There are one or two drawbacks though, the first being short battery life which means lugging multiple batteries around with you and the second is a lack of tilt on the LCD screen. However, these faults are small in comparison to what the X-Pro2 can do, low-level lighting shots are out of this world for a start and its weight won't break your back. Stepping up the competition the X-Pro 2 is the first of its kind to feature CSD, that's dual SD card slots to you and me. So there's plenty of room for all those camel pictures.

## Nymphomaniac Confessions

Harmony Films

**Starring:** Alexis Texas, Lexi Belle, Megan Cox, Aleska Diamond, Brooklyn Lee, Samantha Bentley, Ruth Medina, Tori Black, Jenna Haze, and Kristina Rose

**Verdict:** Well, well, it looks like Gazzman has pulled it out of the bag again in this latest offering from Harmony that leads us through the dark nature of our most intimate desires. There are eight scenes of unadulterated imagination that will leave you brimming with ideas of how to spice up your bedroom antics. Lexi Belle and Megan Cox unleash their desires in an industrial space that sees one studs britches burgled of his seed, as the masks come off. But our favorite had to be the stunning Jenna Haze's double penetration scene that got our swords in a twist! ## AIM YOUR CRANE

I love cocks... and lots of them. I scandalise my girlfriends anytime I joke about it because my problem is that I just can't seem to get enough of them into me at one time. Even my closest friends think I'm joking, but I'm not. I'm a nympho if ever there was one, and I don't apologise for it. In fact, it's something I intend to enjoy to the full.

My name is Marie, and I've just turned 22. I'm of average height, have small perky breasts, and keep my pussy shaved for extra sensitivity. My boyfriend is a good ride – but there's only one of him. What I crave is as much cock as possible stuffed inside me at

once. To this end, I've had to become inventive and brazen to get what I need. And so, like an opportunistic predator, when I see my prey, I go for it. The particular day I thought I'd write in about, is the one on which I decided to have a little fun with a gang of workmen working on a new cul-de-sac being built just around the corner from my flat. I dressed carefully in a button-front dress with a slightly flared short skirt, put my hair in pigtails, and applied some red lip-gloss – but wore no other makeup. I was aiming for that fresh just legal teen image that makes older men cum hard in their pants.

No underwear for easy access completed the look, and before leaving, I turned in front of the mirror, bending slightly, so the short skirt lifted above the curve of my naked buttocks. Satisfied that I had achieved the image I was looking for, I set out confidently, with lust on my mind.

I walked down a back alley towards the trucks and machinery, the summer breeze blowing my skirt around slightly and fanning my already moistening pussy. The five muscular, sweat-bathed workmen must have wondered what I was doing there: the site wasn't any kind of thoroughfare. As I brushed past one of them, I smiled sexily and winked at him, before making my way to their car and leaning against it. The cool breeze lifted my obscenely-brief skirt, giving the blokes fleeting glimpses of my freshly balded twat as the hem gently flapped. A few gruff remarks and

**“Pulling back the hairless lips of my pussy... I flicked a fingertip over my distended clitoris.”**

chuckles were accompanied by appreciative glances and low whistles. Three of the workmen walked over to get a closer look. Another abandoned his pneumatic drill and ear-protectors and came across. The fifth – and this amused me – took off his wedding ring and put it in his boiler-suit pocket before following the others. Five cocks, and I knew I'd have every one of them inside me before long.

There was nothing to say, so I started to unbutton my dress, letting it fall away from my naked body, and ran my fingertips over my tits, tweaking at my nips so that they hardened deliciously. I gave them a whole floorshow, in brief, my hands moving sensually down over my stomach to the neat little mound between my moist inner thighs. Pulling back the hairless lips of my pussy, and watching their reactions, I tilted my hips upwards and flicked a fingertip over my distended clitoris.

They couldn't prise their eyes from me. A few nudges and crude comments were made, but nobody was laughing. I gyrated my hips as my fingers manipulated and rubbed the hard little pleasure nub buried in my cunt-folds... and came off right in front of them. “Who's first?” was all I said when I recaptured by breath.

Two older blokes pushed a young man forward. He had been pumping his short, thick knob while he watched me sluttishly frigging myself. Pushing me back onto the bonnet of the car I was leaning against, he lifted one of my legs up over his shoulder, and rubbed the tip of his cock against my cum-soaked slit before pushing himself straight into my juicy cunt-hole, his thrusts increasing

in ferocity as he felt how slick and swollen I had become inside. The other men jostled around us, groping, calling me a little whore, and touching me up.

Then I felt the hot head of someone's cock push against my upper lip, and I opened my mouth gratefully and sucked it inside.

Looking up, I saw that it belonged to the workman that I had winked at earlier.

The cock in my cunt was removed rather suddenly and replaced by another, longer prick – this one ramming all the way inside my swollen pussy, fucking me hard and fast until it suddenly released a torrential rush of cum inside me.

**“...until yet another cock was pushed firmly into my mouth, effectively gagging me”**

My well-used vag was pulsating. Then the cock in my mouth exploded, too, firing hot squirts of spunk between my tonsils. I swallowed, gagging slightly, as I gulped the salty fluid down.

I was in Heaven. “More cock, you bastards. Fucking gangbang me!” I snarled at them, and the next instant I felt several pairs of hands on me, rolling me over onto one side. The weight of bodies depressed the bonnet and suddenly there were fingers palpating my flesh, top to toe.

A thick erection was shoved into my cum-flooded pussy and began fucking me frantically, while another cock was pushed without preamble into my tight arse-ring. I squealed at the suddenness of its entry, then moaned with pleasure... until yet another cock was pushed firmly into my mouth, effectively gagging me.

I was fucked by all three cocks in unison, my body twisting and turning as strong hands lifted, manipulated and held me up in a series

**“I could feel the ridge of his helmet dragging against my pussy walls as he slid in and out...”**

of different positions. A chorus of exploding shafts emptying their consecutive loads into all three holes shocked me into a long series of protracted orgasmic spasms. What makes me laugh about myself, however, is that even although I was shattered afterwards, I still enjoyed a good fucking from my boyfriend the same evening!  
*Abby, Lincs.*

#### DESK JOB

I was working late at the office the other night so my boyfriend, Alan, offered to come and pick me up. No-one else was around, and, since I had a couple of bits to finish, I invited him in. Alan's a big porn fan; we'll often start a horny sesh by looking at a copy of Club together. That night, however, there were no mags around, so he had a look on your paulraymond.xxx site, and he read me excerpts of one of your web interviews. His aural titillation soon had me getting sticky between the legs, so I suggested that we go home and fuck. Alan had other ideas however. 'Why move,' he said, 'when we have all that we need here?' He came over to my desk, knelt between my legs, and started to fondle my breasts. Before long my nipples were visible through my shirt. He started to mouth them gently, plucking at my dusky nubs with his lips.

Next he lifted my skirt, hooked aside my panties with a finger and gave me one long lick from cunt to clit before starting to circle delicately around my sexbud. That always feels fucking good. I gyrated my sex into his face, covering him with my juices. Then he pulled away. 'Bastard!' Was my initial thought, and I was about to tell him so, when he laid a finger on my lips. Next thing I know he'd lifted me up and was carrying me through to the photocopier room, taking my knickers off on the way. He lifted up my skirt and sat me on top of the machine, hot pussy on cold glass, and told me he wanted a real close-up picture of us fucking. I fondled myself on top of the machine, sliding the tip of one finger inside my slit, then

bringing it to my mouth and sucking it clean with a flourish. When my hand snuck down to Alan's trousers, there was a pleasing bulge there, which I stroked through the linen fabric, before unzipping his fly and revealing his length to my cock-hungry gaze.

I couldn't wait to get it inside me, and jammed the door shut with my high-heeled shoe, splaying my pussy wide for Alan's delectation. Gently, I stroked my long nails up and down his shaft, tickling the underside with pleasure/pain and teasing a tear of pre-cum from his straining prick. Alan took hold of a leg in each hand and pushed me back against the wall, teasing the entrance to my love tunnel with his member, moving his pelvis in small circles, so his bell-end massaged my sexual entrance. 'You're dripping,' he said, and I felt a droplet of juices trickle out of my hole and smear onto the photocopying plate beneath me. The blood in my ears was pounding in time to the pulsing of my pussy when Alan plunged in, penetrating me with one strong thrust that went right up to his balls.

I felt full of him, like his helmet was going to poke up my throat any second, and contracted my pussy-muscles as he withdrew, offering up as much friction as possible. This elicited a groan from Alan, who slammed deep inside me, his pelvis slapping against mine with a satisfying 'thwack' that made my pussy and

asshole spasm in response. If there's one way that's guaranteed to make me cum quickly, it's fucking me hard and fast, and, spurred on by my sexual convulsion, Alan started pumping in and out, faster and faster. I could feel the ridge of his helmet dragging against my pussy walls as he slid in and out of my slick passageway, his pubis bumping against my clit as he fucked me with abandon.

I love the feel of Alan inside me, being filled with eight inches of my man as he thrusts into me again and again. One hand was on my breastbone now, pushing me back into the wall behind

us. My hair was getting all caught up in the papers pinned to the wall behind me, and I knew that I looked like a sleazy bitch; it made me feel even hornier, it made me want to cum.

I could feel Alan's cock twitching inside me; he was about to blow. My thrashing about set off the photocopier, flashes of light appeared from around my buttocks, but neither of us particularly noticed. Alan surveyed my slutty countenance, then grabbed hold of my hair, pulling my head back and telling me how he's going to cum inside me and how much I'm going to love it, but I had to say 'please' first. I begged for my load, asked him to please let me have his seed, that I wanted it, that I

needed it to make me cum.

Alan looked deep into my eyes as his helmet throbbed and he started to cum, spurting his hot jism inside me. I relished the sensation of each and every jet spurting against my trembling insides and my cunt spasmed in response, massaging his cock with the contractions of my orgasm, milking him for every last drop of jizz he had.

We both keep a photocopy of that moment of lust at our respective places of work, to perk us up if we get the mid-afternoon blues. The only problem was, we couldn't quite get the smears off the photocopier – hope they didn't notice...

# PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## TIT FOR TAT

I love your magazine, but if I did have a complaint, it would be that you rarely feature tough looking babes with tattoos and piercings. Babes like that singer, Pink, who manage to look hard as fuck but damned sexy at the same time. I guess my fantasies stem from the Punk era, as in those days I dated some well freaky looking birds.

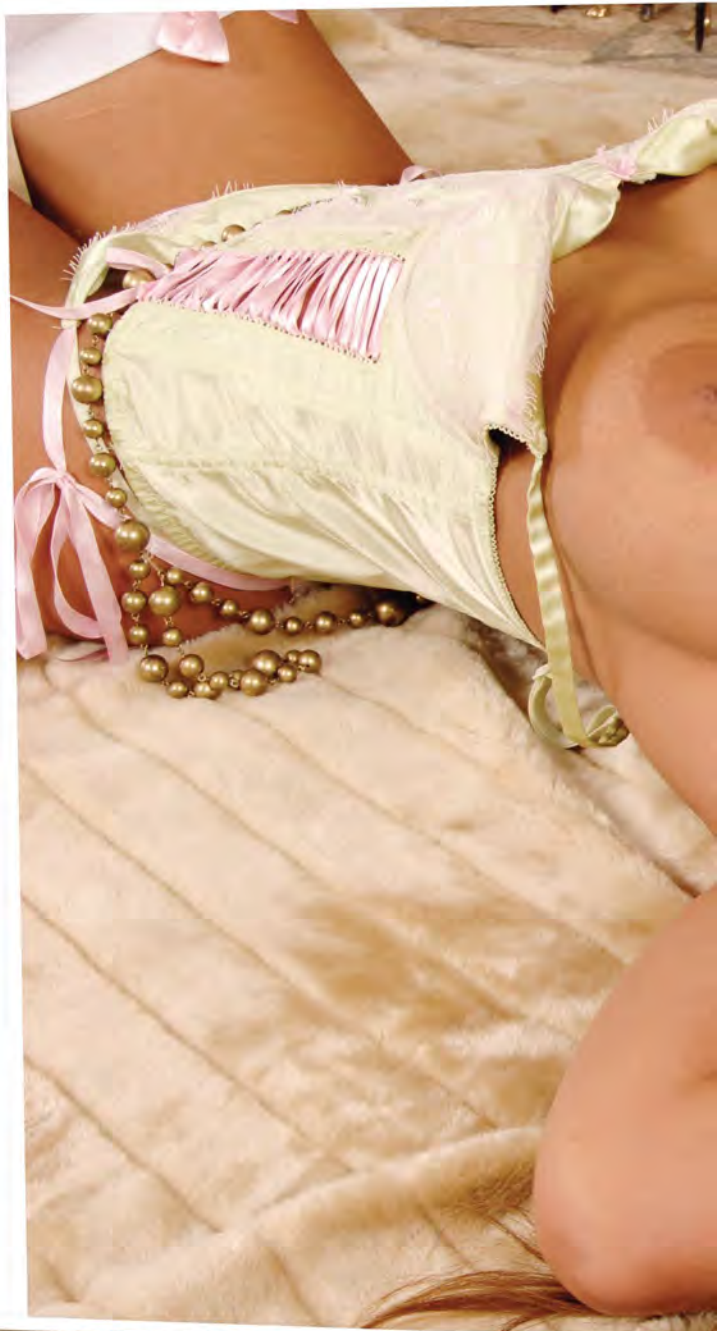

Through the Internet, I discovered some like-minded souls and a club night where all these people hung out. Last Saturday, I decided to go along and dug out my old leather trousers and Doc Marten boots. I've kept myself pretty fit over the years, and even though I was a bit nervous that I'd be the oldest one there, I was soon put at ease when I saw the stunning selection of chicks dancing to the heavy industrial music.

Girls in rubber dresses with their tits bulging out, fishnet stockings, gravity-defying stiletto boots and near-naked babes covered in body art had me salivating like a wolf at a sheep dip. My cock was already pressing hard against the taut leather crotch of my trousers as I danced closer to a fantastic creature with a bright purple Mohican haircut and a leather bodice type outfit that was straight out of Gladiator. Her boobs were crammed into the tightly strapped top, giving her a fabulous cleavage, and all down her back was an ornately inked serpent that started between her shoulder blades and disappeared under the waistband of her skirt. Her legs and arms were nicely toned, and my dick was twitching its approval as she turned and looked me up and down like

I was a piece of meat.

This young lady obviously liked what she saw, as she slipped her fingers through the belt loops of my trousers and yanked me towards her. She ground her crotch against mine and slowly dragged her tongue from my chin up my face, like a dog licking a bone. I could feel the tongue stud press against my cheek before she suddenly covered my mouth with hers and delved towards the back of my throat. I struggled for breath as I gripped her arse and noticed this babe was wearing rubber knickers beneath her leather skirt. Jeez! I was in heaven and knew I had to fuck her as soon as possible.

We hadn't spoken a word as she dragged me through a back door to the rear of the club where

**“I pushed it between her slippery lips into the tight gooey tunnel of her gash.”**

my head, suffocating me for the second time as I squirmed my tongue around in her stretched rear tunnel. I was in a state of lust I had never experienced before, and as I sucked and licked, I reached around her body and gripped her big firm tits as she bucked and writhed on me like a wild animal.

After what seemed an eternity, she removed her puckered hole from my lips and lowered it onto my cock instead. It slid effortlessly up to my balls, and she began squeezing its length with her bum muscles. I could take no more, and gripping her still-confined breasts with both hands, fired a load of hot thick spunk right up her arse. Her muscles went into spasm again as she climaxed with my knob still wedged up her bum, draining every last drop from my aching balls. I collapsed back into the pile of debris of the alley, satiated like never before and prepared to actually talk to the amorous Amazon before me.

She stood over me and pulled up her knickers, easing the butt-plug carefully back into her arse as she did so. “That’ll keep the spunk fresh for later,” she drawled, giving her cunt a quick rub with her hand. “You’ve been a lucky fucker tonight, arsehole,” and without another word, she strode back through the door and into the club. I followed a few minutes later, but she’d gone so I contented myself dancing, all the time wondering what filthy, obscene plans she had for the cum she’d trapped up her arse. Any ideas?

*Harry, Corby.*

#### **GLOBE BONKING**

Nothing turns me on more than the full, rounded globes of a young black girl’s bottom. I have always been attracted to women’s arses, and from my late teens have always sought out the big-bottomed girls. I am not talking here about fat birds. I’m talking curvy, with slim, neat waists, flat bellies and nice firm boobs.

I have always been an arse watcher, frequently following a young lady with a particularly nicely rounded bum as she walked in front of me along the street. However, it was Estelle’s beautiful black arse which at last provided me with the ultimate botty ride. And ever since, I have been concentrating almost entirely on botting black booty.

Estelle works at a garden centre, and I had just dropped in to pick up some weedkiller for my back garden. I was about to pay and leave when I clocked Estelle’s arse. She was bending over some plants and displaying her

refuse was stacked all over the cobbled floor. She ripped open my fly and pulled out my dick, wanking it furiously as she did so. She pushed me down onto a pile of discarded boxes and clambered on top of me in a 69 position, taking my prick straight into her mouth and flicking the tip with her stud. I fumbled for the edge of her rubber panties before realising these beauts were open crotch and her succulent, moist pussy was already spread, ready and waiting, for my tongue.

I pushed it between her slippery lips into the tight gooey tunnel of her gash. She tasted wonderful and her cunt juice squelched around my probing tongue and dribbled down my throat as she mauled my cock towards orgasm. She was banging her fanny down onto my mouth; I inserted a couple of fingers to help my tongue bring her off, but as soon as I did, her arse and thighs went into spasm and she squirted her girl-cum into my mouth.

“Fuck my arse – now!” She growled, lifting her drenched twat off my face. In the dim light from the one bulb above our heads, I watched my warrior woman turn around, lift her skirt and slowly lower those taut rubber knickers over her nicely rounded buttocks. As her arse became exposed, I could see the tail of the tattooed serpent I had noticed early, curving down over her butt cheeks and ending at the entrance to her anus. She jutted her bum towards me and I stared in awe as an inch wide shiny black rod of rubber slipped gently from her bumhole. The dirty slut had had a butt plug jammed up her arse the whole time! In fact, it was a part of the rubber knickers, and must have been all of four inches long.

As the bulbous tip finally popped clear of her hole, her anus gaped invitingly a foot from my face, and without thinking I grabbed her waist and stuffed my mouth between her cheeks, poking my tongue as far up her gorgeous lubricated arse as it would go. She yelled encouragement and sat back against

“...she dropped to her knees and began gobbling at my stonker...”

splendid buttocks in all their glory. Her jeans looked as though they were spray-painted onto her, the fabric stretched so tightly across her fabulous cheeks as to clearly define the deep cleft between each fleshy pillow.

Grabbing a basket from near the entrance, I hovered, surreptitiously ogling her sumptuous curves.

There was nothing for it. I returned the next day, and the next, until I convinced her to go out with me. I usually don't go to such lengths to secure a fuck, but Estelle's arse...!

I planned the evening carefully, taking her for a drink first – then on to a good restaurant for a meal. When Estelle went to the ladies at the restaurant, I got a great view of her buttocks through the skimpy fabric of her tightly clinging dress. Her panty-line was clearly visible, and although her arse was well muscled and toned, it jutted out and wiggled in a provocative manner. I was relieved when she finally agreed to come back to my place and I ushered her into my car.

Estelle was relaxed and not a bit coy – in fact, she reached for my crotch as I drove and tenderly fingered my prick. At last, I had her inside the door, and, as we kissed, I cupped the twin spheres of her arse in my hands, pulling her hard against my burgeoning erection. Her lips were soft and of such generous proportions that as I sucked her bottom lip into my mouth, I visualised their fleshy fullness wrapped around the thick circumference of my rod.!

Soon I was squirming from her attentions as she lowered my trousers, and, putting a hand inside my jocks, she fondled my balls with one hand while gently pulling my foreskin back and forth over my helmet with the other. My cock responded immediately, swelling and hardening to impressive proportions. Then, in one graceful, fluid movement, she dropped to her knees and began gobbling at my stonker like a fuck slut in a porno movie.

I almost fired my load as she worked her head up and down my pulsing erection, using her teeth, tongue and full lips to drive me to the edge. But her beautiful buttocks still held

the most attraction for me and, desperate not to miss the opportunity to shag her beautiful black arse, I gently angled her head away from my throbbing prick.

Pulling her up to her feet, I suggested we move to my bedroom and led the way. In the bedroom, I ran my hands over the soft contours of Estelle's lush body through her clothing. She moved out of my reach, and, in a blatantly teasing fashion, rolled her body-hugging dress up over the curves of her delectable derrière.

Her tiny white cotton panties stretched tightly across her bottom flesh. Her pubic mound was pronounced and inviting, the tightly curled hairs trimmed neatly and barely visible around the edges of the gusset of her cotton panties.

My cock ached so hard that my eyes watered as she pulled the garment up and over her jiggling bristols, which were barely contained in a matching cotton bra. I was surprised at her simple choice of underwear, remembering the assortment of satin and lace lingerie that my other birds had worn. Then it dawned on me that she had made an inspired choice: her attributes were so deliciously erotic that to adorn them with lavish underwear would only detract from their natural beauty.

Turning her onto her stomach, I began running my fingers down her back, caressing her glossy dark skin. She moaned appreciatively as my fingers reached the base of her spine and stroked the gently rolling hillocks of her arse-cheeks. Obliging, she spread her legs and I moved my attention to the succulent petals that peeped out from between her tightly curled bush. They were moist and exotic looking, darker and fleshier than the labia that I was used to.

Tentatively, I pushed a finger between her pussy lips and was pleased to see that it slid in easily. She was already aroused and ready for action.

I eased Estelle up onto her knees, with her legs spread and her bottom cocked in the air. The sight of her naked buttocks presented in such a lewd, vulnerable position had my heart racing.

Almost reverently, I parted her arse-cheeks to reveal the darkly pigmented ring of her anal orifice, hidden in the deep secret fissure between

her arse cheeks. The dark, wrinkled rose of her arsehole was so appealing that I could not resist kissing it. She wriggled in surprise at my unexpected touch, and, looking back

questioningly, asked what I was doing. Her nervous gesture and question suggested to me that she was still an anal virgin.

To relax her, I began licking and nibbling gently at her bum-cheeks, my tongue caressing the entire surface of each cheek before delving between the succulent folds of her pussy. Her cunt-hole was a beautiful deep shade of pink: almost red in places, with darker shading near the extremities. As she became more turned on, her juices trickled from between her thickened labia, dampening the inside of her dark thighs.

With my tongue buried deep inside her slot, I reached forward and rolled one of her long nipples between my thumb and index finger. Her pussy contracted as I squeezed her teat and tongued her clit in an effort to bring her to climax. As I continued to stimulate her pussy and nipple, I was rewarded as her cunt spasmed and, with a loud moan, she squirted her juices directly onto my tongue.

Stroking the silken skin of her posterior, I held firmly onto her hips and poked my erection against the entrance of her still-contracting cunt-hole. Feeling my bell-end pressing into her slot, she pushed back hard – impaling herself on my rigid penis. Dipping her back, she worked her buttocks back and forth on my cock, her remarkably strong pussy muscles

gripping the shaft as I shunted it ball-deep inside her.

With my cock fully embedded in her pulsing chuff, I kissed her back as my fingers sought her nipples and once again I stimulated her to orgasm. With her internal muscles constricting around my shaft, it took all my effort to withhold my own climax! Her body jerked as multiple orgasms rippled through her... and I used her euphoric state to persuade her to indulge in some botty play with me.

Pulling her bum-cheeks as far apart as possible, I nosed my way upward from her pussy, my tongue licking the delicate skin in the depths of her arse crevice until I reached the dark, sensitive skin encircling her arsehole.

It was more alluring and erotic than I had imagined, and my tongue revelled in caressing the wrinkled, velvety folds of her puckered little ring. With one hand I continued to play with her clitoris, keeping her on the boil as I rimmed her twitching anus. Ever so gently, I pushed my tongue against the centre of her enchanting orifice, poking the tip as far inside the aperture as I could.

She stiffened a little at the first prod, but I soothed her, and with each successive prod of my tongue I squeezed gently on the nub of her clit until I could feel her sphincter give. Then, withdrawing my tongue, I lubricated a finger by dipping it into her warm wet cunt and coating it with her juices.

Circling the circumference of her anal rose with my moistened fingertip, I gently pushed it inside her. Estelle whimpered softly at the first intrusion into her rectum, but I continued to stimulate her clit as I pressed forward with my finger, and before long I was knuckle deep in her. She was soon relaxed and began to enjoy herself. Sensing that she was ready, I inserted a second finger, pushing it easily inside.

“**Once inside, I thrust hard, shunting my weapon further inside her tight rectum.**”

To my surprise, she looked back at me and invited me to: “go right ahead,” and stick my cock inside her. Thrilled by her positive reaction, I rubbed my cock up and down the cleft of her arse. She was wriggling her buttocks provocatively, encouraging me to fuck her bottom-hole!

I reached for the bottle of baby oil that I keep close at hand on my bedside cabinet, and squirted some onto my shaft. Then I dribbled some over her buttocks and massaged it into her cheeks, allowing a trickle to run down her arse-crack. Rubbing some oil into her ring, I pressed my erect penis against her rear entrance, and pushed my bell-end just inside her.

Estelle gasped as my thick cock entered her, and her tight sphincter stretched to accommodate it. Once inside, I thrust hard, shunting my weapon further inside her tight rectum. One last push and I was in to the hilt!

I waited for her to adjust to the sensation of having her arse corked. She was panting with excitement as I began to move my cock slowly in and out of her anal orifice.

Gradually she began to move on my cock – pushing back into me vigorously as I repeatedly thrust forward. As we moved together in rhythm, her tight anal passage gripped my engorged phallus so tightly that it felt like she was milking me. And, utterly unable to hold off an instant longer, I shot my cream deep inside her virgin anus, filling her rectal cavity with my seed.

Joe, Hants.

**C**apturing this one as she falls from heaven sounds like the perfect job for us. So when we told her we would like to officially volunteer she couldn't help but giggle.

"You guys are the worst as you always make me blush!" We can't help teasing you a just a little bit, besides you look even more appealing with rosy cheeks!

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Wedding Cells

Perfect for getting rid of that after sex taste!

Walmart was awash with the news of wedding bells as a dramatic proposal took place over its PA system after William Cornelius, 25, purchased a \$29.95 ring for his now fiancée, 20-year-old, Sheri Moore. But loves young dream was brought quickly to a halt after the pair spent the night in separate cells after being arrested for shoplifting oral sex candy and a vibrator from Spencer's. The couple fled the scene after a store employee called the police, only to be picked up later at a Taco Bell. Clearly they were trying to sort out the wedding night early.

Divorce rates rise, after rear explosion!

**Danger**  
Toxic Gas

Once in awhile everybody lets off a rotten egg but one 55-year-old woman didn't find the thing a gas when her husband let one rip in bed. Dawn Meikle was arrested for battery after her husband passed wind while in bed together. Meikle allegedly started kicking and elbowing her husband, forcing him out of bed and onto the floor. Once the air had cleared (so to speak) Mr Meikle hopped back into bed where another expulsion of gas

occurred, this time, Meikle discharged a can of pepper spray and ran into the bathroom. Mr Meikle has since developed an aversion to beans.

## Face-booked

Social Media proves an effective crime-fighting weapon when stupidity is involved. For example, 28-year-old Dustin Rittgers was arrested just hours after posting a 12-second video clip of himself drink driving. The video clearly shows Rittgers swigging from a partially covered bottle while driving with just one finger on the wheel, at the same time as operating the video camera on his mobile device. Rittgers entered a plea of not guilty to the five charges against him. Now whoever said men couldn't multitask...
